CERTIFICATION and AUTHORIZATION

I hereby certify that I have read all statements and answers in this application and that they are full, complete and true to the best of my knowledge and belief. I understand that any misrepresentation contained herein or relied upon by the company may be used to contest the validity of the coverage, within the contestable period if such misrepresentation materially affects acceptance of the risk. I understand that coverage will not become effective until The Hartford<sup>1</sup> grants its underwriting approval. I agree that subject to the deferred effective date provision that no insurance coverage shall become effective unless: a) The Hartford grants its underwriting approval; and b) at the time of payment of the first premium, I am living, and my insurability remains the same as that described in the application. I do not receive temporary or conditional insurance coverage just because I submit an application and pay the first premium. I certify that I have received the Notice of Insurance Information Practices.

I authorize any: doctor or counselor; health practitioner; hospital, clinic or medical facility; insurer or reinsurer; consumer reporting agency; Medical Information Bureau, Inc., or employer; to give The Hartford or its legal representative information about my physical or mental health, (including history, condition, diagnosis and treatment), drug or alcohol use history, other insurance coverage or employment status. The Hartford will use the information to decide if and to what extent I am eligible for insurance coverage or benefits under the policy. This information will be treated as confidential.

I understand the Medical Information Bureau, Inc. will release records or information only to The Hartford. I authorize The Hartford to give information about me to: its reinsurer(s), the Medical Information Bureau, Inc., any other insurance company to whom I may apply for Life or Health Insurance, or other persons or organizations handling a claim, underwriting coverage applied for or administering coverage issued as a result of this application or as required by law. I understand that upon written request I may revoke this authorization except to the extent that action has already been taken in reliance on the authorization. This authorization expires two (2) years from the effective date of my coverage or, if no coverage has been issued, one (1) year from the date of this application. I understand that a photocopy of this form is as valid as the original, and that I have a right to receive a copy of this form upon request.
